Dear Mrs. Manley:

I am picking an all-league team next week and my selections include Watkins, Doby and Day of your club. I don't have pictures of any of them and was wondering if you'd send me same at the earliest possible moment?

Please remember me to Abe and best of everything to yourself.

Whatever you do, please get me those pictures. It's not only imperative that I get them, it's a matter of life or death. May I hear from you by the end of next week?

Yours in sport

Joe Bostic
